Advanced Aesthetic Treatments

Bring out your best with our range of powerful non surgical treatments that provide a more permanent solution to reducing and reversing visible signs of ageing.

Treatment solutions include targeting wrinkles and lines, loss of volume and elasticity, sun/liver spots and open pores. We also treat skin problems such as acne scarring and pigmentation. On the body our non-invasive laser and light based technologies can treat stretch marks, tighten sagging skin and remove sun damage/age spots.

In addition we offer state of the art laser tattoo removal using the Harmony XL Pro machine from Alma Lasers and permanent laser hair reduction using the award winning Soprano ICE machine.
